The target figures represent the scheduled annual output, while the performance figures indicate the repair performance during the period from 1 January through 31 October 1952.²

1. ☐ Comment. In October, 46 fewer locomotives were repaired than in September. 25X1

2. ☐ Comment. The present report indicates that, except for damage category 10, actual repair performance was behind the fixed targets, and in some cases to a large degree. 25X1
